2004 Honorary Chapter Farmers

Dustin Snyder and Brian Maiorino

This year's Honorary Chapter Farmers were awarded to two individuals who have contributed a great deal of time, money and assistance to Firebaugh FFA. In honor of all of their efforts we would like to dedicate the 2004-2005 Firebaugh FFA Program of Work to Dustin Snyder and Brian Maiorino.

Dustin Snyder is an active member of the Ag Advisory committee and a life long resident and graduate of Firebaugh High School. He truly believes in the purpose of vocational education and its importance to the students of our community. Being a past program completer of Firebaugh FFA, Dustin truly knows how much we appreciate his dedication to our program.

Brian Maiorino spends countless hours recruiting community support for students and there projects. There is no doubt that his support and dedication has helped make Firebaugh FFA the success that it is today. He has had a total of four children pass through the program and become program completers. Through those four children, Brian has truly opened his heart to the Firebaugh FFA and has become like family to the program.

It is hard to put into words how grateful we are for the support of these fine people, and it is with the sincerest of appreciation that we dedicate this 2004-2005 Program of Work to Dustin Snyder and Brian Maiorino. You have both been loyal and devoted supporters of our program, and for that we thank you.

Do You Just Belong

**Are you an active member,
the kind that wouldn't be missed?**

**Or are you just content
to have your name among the list?**

**Do you attend the meetings
and mingle with the flock?**

**Or do you usually stay away
and criticize and knock?**

**Do you take an active part,
to help and work along?**

**Or are you satisfied
to be the kind that just belongs?**

**Do you pitch in, and do your share,
to really make things tick?**

**Or leave the work to just a few,
that you would call "the clique?"**

**There's quite a program scheduled
that we're sure you've heard about,
and we'll appreciate it if you too,
will help us work things out.**

**So come to the meetings often,
and help with hand and heart.**

**Don't just be a member,
but take an active part.**

**Think this over, friend,
because you know right from wrong,
Are you an "ACTIVE MEMBER",
or do you just belong?**

Officer Greeting

Welcome back FFA Members! Summer is over, school is in, and it's time to "Step Up to the Plate," with the Firebaugh FFA. We hope you're ready to have an experience of a lifetime. This year we hope you catch every opportunity thrown your way and hit it out of the ball park.

We hope we can help you to discover your individual talents and put them in the best position needed to achieve success and accomplish your goals. This year we will carry on many of the traditions that returning members have come to enjoy, but we will also offer many new and exciting events. Our members are the key to making these activities successful. Your involvement in Firebaugh FFA will help you to create memories, meet new people, and will change your life.

Your 2004-2005 Firebaugh FFA officer team hopes you will "Step up to the Plate," and hit a homerun this year. Good luck and don't strike out!

"Batter up!"

2004-2005 Firebaugh FFA Officer Team

Advisor's Message

Welcome to a fresh, new and exciting year at Firebaugh High School Agriculture Department. Many changes and plans have been made in our Agriculture Department, including the addition of two new teachers; Mrs. Ammon and Miss Hennes. Mr. Catalan, Miss Hennes and Mrs. Ammon look forward to continuing the long tradition of success and hope that each and every one of you will become an involved member of our exciting program!

This year promises to be one of new growth and expansion. Our curriculum is on the cutting edge and our facilities are ones we are proud of and compliment our already highly successful FFA Chapter. This year we will be taking nearly 16 pigs, 4 sheep and 1 goat to Madera Fair, as well as several Ag Mechanics projects. These numbers are expected to be even higher this spring at the Chowchilla fair. To accommodate the growth of livestock projects we are finishing construction on our barn. This will allow twice as many students to participate in livestock projects. For those of you with a stronger farming interest, our orchard is planted and now awaits involvement from students who are interested in learning about tree production and making a little cash!

The officer team has set the theme for the coming year: *Step Up to the Plate*. As advisors we agree with the officers that individual student growth, both personally and professionally is the number one, most important element our department can offer each member. In order for this growth to occur we will provide many different opportunities for student involvement throughout the year. The *Program of Work* can be used as a guide, outlining the variety of activities students can become involved with. Student involvement is the key to success for a powerful Agriculture program. Without member involvement, all the officer team goal setting and advisor guidance wouldn't accomplish much. The success of *your* Agriculture department is almost entirely dependent upon *your* involvement and *your* desire to do the very best you can do.

So once again, welcome back, as advisors we look forward to working with each and every one of you and firmly believe that with your help we can ensure that Firebaugh FFA remains among the very best Agriculture programs in the state!

Sincerely,
The Firebaugh FFA Advisors

Mr. Catalan
Ms. Hennes
Mrs. Ammon

Missions and Strategies

“FFA makes a positive difference in the lives of others by developing their potential for premier leadership, personal growth and career success through agricultural education.”

To accomplish this mission, we the FFA will:

1. Develop a competent and assertive agricultural leadership program.
2. Increase awareness of global and technological importance of agricultural and its contribution to our well being.
3. Strengthen the confidence of agricultural students in themselves and their work.
4. Promote the intelligent choice and establishment of an agricultural career.
5. Encourage wise management of the economic, environmental, and human resources of the community.
6. Encourage achievement in the supervised occupational experience programs.
7. Develop interpersonal skills in teamwork, communication, and human relations.
8. Build character, promote citizenship, volunteerism, and patriotism in our students and community.
9. Promote cooperation and cooperative attitudes among all people.
10. Promote healthy lifestyles.
11. Encourage excellence in scholarship.
12. Develop student responsibility and accountability among members

FFA Emblem, Official Colors, & FFA Motto

The National FFA emblem consists of five symbols and represents the history, goals and future of the organization. As a whole, the emblem covers the broad spectrum of the FFA and agriculture. Each element within the emblem has unique significance. THE CROSS SECTION OF THE EAR OF CORN provides the foundation of American agriculture. It is also a symbol of unity, because corn is grown in every state of our nation. THE RISING SUN signifies progress and holds a promise that tomorrow will bring a new day glowing with opportunity. THE PLOW signifies labor and tillage of the soil, the backbone of agriculture and the historic foundation of our country's strength. THE EAGLE is a national symbol, which serves as a reminder of our freedom and ability to explore new horizons for the future of agriculture. THE OWL, long recognized for its wisdom, symbolizes the knowledge required to be successful in the agriculture industry. The words "AGRICULTURE EDUCATION" and "FFA" are emblazoned in the center to signify the combination of learning and leadership necessary for progressive agriculture.

Colors

As the blue field of our nation's flag and the golden fields of ripened corn unify our country, the FFA colors of "**NATIONAL BLUE** and **CORN GOLD**" give unity to the organization. All FFA functions and paraphernalia should proudly display the colors.

Motto

The FFA motto gives members twelve short words to live by as they experience the opportunities in the organization.

Learning to Do,
Doing to Learn,
Earning to Live,
Living to Serve.

The FFA Creed

The creed was written by E.M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.

I believe in the future of agriculture, with a faith born not of words but of deeds-achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so - for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

Chapter Goals

- To begin educating children of all ages on the importance of agriculture, so they can take an interest in agriculture, now and in the future.
- To further develop the involvement of members in our FFA organization, so that our chapter will continue to succeed and grow in the coming years.
- To provide the community with agriculture education awareness and an understanding of the importance of agriculture in our daily lives.
- To maintain and enhance the relationship between our organization and community.
- To promote member participation throughout the numerous FFA activities, and succeed at the Chapter, State, and National levels.
- To gain our status as a 3 star chapter as recognized by the National FFA Organization.
- To make this year, one to be recognized by many, and filled with member involvement and achievements.
- To excel in all aspects of agriculture education and develop those skills needed to succeed in life and in future careers.

Outstanding Ag Student Awards

This award is given to the outstanding student in each grade level based on their academic success as well as involvement in the FFA.

Top 20 Award

The Top 20 Award is determined by FFA points, which are awarded for students’ involvement in FFA activities throughout the entire school year.

- The student who earns the most points throughout the year receives an all expenses paid trip to the National FFA convention in Louisville, KY and Washington D.C.
- The top 20 students earn a all expenses paid trip at the end of the year.

Top Seller Award

Any student who participates in the three top seller activities (drive-up dinner, take-out dinner, and cookie dough, pizza, and pretzel fundraisers) and sells 30 tickets or items receives a free trip at the end of the school.

Proficiency Awards – These awards are given to students based on their SOE projects, and they are given at the Sectional, Regional, State, and National levels.

Community Service

The Firebaugh FFA Organization feels that community service isn't really a service at all. As community members we feel it is our duty to step in and help when it is needed. Whether it is making sure community members have food at Thanksgiving or making sure children have a toy to open on Christmas morning, Firebaugh FFA is there and willing to help when the community needs it.

Ag Awareness Day- We host a day in which we recognize the importance of Agriculture to the youth within our community.

Bowling-4-Kids- West Fresno Madera Sectional Bowl-A-Thon is an event awarded to those individuals who help raise money for Children's Hospital of Central California

FFA Displays- We set up displays in local businesses to promote our organization during National FFA week.

FFA Food Drive- We will host a food drive during the Thanksgiving season, working with local churches to distribute the food to the needy in our community.

Kids Day- We sell "Kids Day" newspaper in an effort to raise money for Children's Hospital of Central California.

Middle School Rally- We host a rally at Firebaugh Middle School to promote our FFA program to the students.

Box Car Derby – With the help and support of our Ag boosters the Firebaugh FFA hosts the box car derby which is held in the summer, and is a huge community success.

Donkey Basketball – Always a crowd pleaser is the annual donkey basketball match between FFA students and FFA Ag Boosters.

Career Development Events

Agriculture Mechanics

Members complete a written exam which includes a survey and tool identification portion; this is a hands on contest as well. Members demonstrate mechanical and problem-solving skills. Emphasis includes machinery and equipment, industry and marketing, energy, structural and environmental resources.

Banking

Members complete a written test made up of financial standings, such as checks and bank statements. Members will be expected to know the different rates of credit that may be given to them.

Best Informed Greenhand

This contest is for freshmen FFA students only. Members on this team complete a written test on their knowledge of the FFA, members study from the official FFA manual.

Creed Speaking

This contest is for freshmen FFA students only. Students memorize and recite the FFA Creed written by E.M. Tiffany. Some of the expectations of the judges are memorization, appearance and gestures.

Job Interview

Members are required to create a cover letter and resume prior to participating in a job interview. You are evaluated and placed according to your resume, cover letter, and interview scores.

Livestock Judging

Members evaluate beef cattle, sheep, and swine on physical characteristics and records for market and breeding usage. Members give oral reasons explaining their placing on three classes.

Meats

Members complete a written test; evaluate beef carcasses in terms of quality and yield grades; and judge and place beef, lamb and pork classes. Members also complete a meat formation problem and cooperatively fulfill a beef carcass order.

Career Development Events

Cooperative Marketing

This contest is designed to create an awareness and understanding of the basic elements of farm product marketing and farmer cooperation in marketing, purchasing, bargaining, and service.

Opening/Closing

This contest is made up of a six-person team. Each member of the team is responsible for memorizing one officer part of the opening and closing ceremonies and reciting it at the sectional contest as if it was an actual opening/closing ceremony.

Prepared Public Speaking

The member that chooses this speaking contest is to write and memorize a ten-minute speech on a major agriculture issue. The individual will be scored on his or her ability to speak and also on how well they can answer questions on the topic they choose.

Extemporaneous Public Speaking

Members deliver a speech on one of three agricultural topics after they are given thirty minutes to prepare a four-to-six minute speech. At the conclusion of the speech, the judges may question the speaker for five-minutes. Decisions are based on factors similar to the prepared event.

Farm Records

This contest is based on pages from the most recently adopted FFA Record Book, it is also based on the most recently adopted Official Instruction Manual. The Farm Records contest consists of four sections: 1. Problem from the journal page 2. Problem from the budget page 3. Written test on FFA Record Book 4. Problem from the Depreciable Property Inventory Page.

Computers

This contest provides students with the opportunity to apply their knowledge and skills to an educational or agriculture standing, to demonstrate public speaking skills, and their computer knowledge and skills. The contest is made up of three classes: Class 1 Objective written test on general computer knowledge. Class2 Computer applications problem. Class3 Speech on a computer topic.

Fairs and Shows

In order to give our students an area to showcase the knowledge they have learned through their Supervised Occupational Experience Project, Firebaugh FFA competes at two fairs and shows during the year. You will find us at the Madera Fair in September and the Chowchilla Fair in May. Student projects that can be exhibited are beef, sheep, swine, dairy, horses, rabbits, poultry, plants, flower arrangements and agricultural mechanics projects. If you are interested in participating in any of these opportunities, one of the Ag Teachers can get you started.

Market Swine

A swine project is a great experience. You must exercise your pig everyday in order for it to maintain a quality build. You are responsible for feeding and cleaning according to your assigned schedule. As your project progresses, you begin to wash your animal often and as fair time approaches you will begin to wash your animal daily. Before you go the fair you will need to clip your hog. Like other projects, you compete in two types of shows: market and showmanship. In the market show, the judge evaluates the animal for meat quality and the showmanship class determines how well you control your animal, as well as how well you can show your animal.

Expenses:	
<u>Feeder Hog</u>	<u>\$ 175.00</u>
<u>Feed</u>	<u>\$ 175.00</u>
<u>Entry fee</u>	<u>\$ 5.00</u>
<u>Vet. Supplies</u>	<u>\$5.00</u>
<u>Insurance</u>	<u>\$10.00</u>
<u>School Housing/ Bedding</u>	<u>\$10.00</u>
Total	\$ 380.00
Receipt:	\$ 400.00
Profit/Loss	\$ 20.00

Fairs and Shows

Market Lamb

A market lamb project is challenging, yet rewarding. Raising this project will take a tremendous commitment on the student's part. From feeding and washing to shearing and exercising; a great deal of responsibility will be involved. The student will be required to feed one to two days per week as well as work with the lamb three to four times per week. The length of this project is two to three months. The student will exhibit the animal in a market class and a showmanship class at the fair. In market, the animal will be judged on muscle, balance and condition. The objective of the showmanship class is to determine the top exhibitor in terms of technique and style. The cost of raising a lamb project may vary throughout the year, but here is an estimate to assist you in your decision.

Expenses:	<u>Feeder lamb</u>	<u>\$175.00</u>
	<u>Feed</u>	<u>\$ 60.00</u>
	<u>Entry fee</u>	<u>\$ 5.00</u>
	<u>Vet & Show Supplies</u>	<u>\$ 15.00</u>

Fairs and Shows

Market Steer

A steer project is commonly thought of as the most challenging of animal projects in the FFA. Steers are normally purchased weighing 700 pounds and are shown at the fair at a market weight of roughly 1200 pounds. Therefore, no matter what developmental stage the steer is at, his weight will range from 4 to 8 times heavier than that of the average student showman. This means it is critical that any student wishing to show a steer have a working knowledge of livestock behavior and a thorough understanding of safe handling practice.

Showing a steer requires a tremendous amount of responsibility. Not only is each steer showman expected to perform the normal duties associated with raising sheep and hogs (feeding and care), but they are also expected to rinse and brush their animal each day. This is necessary in order to promote healthy hair growth. Additionally steers need to be walked and worked with so that they become accustomed to a show stick. Without a doubt, raising a steer to show can be challenging, but it is also very rewarding. Below is a projectile budget for a steer project.

Expenses:	Feeder Steer	\$ 700.00
	Feed	\$ 500.00
	Entry fee	\$ 5.00
	Vet supplies	\$ 25.00
	Insurance's	\$ 50.00
	Showing & Fitting supplies	\$ 30.00
	School Housing	\$ 5.00
Total		\$1340.00
Receipt:		\$1562.00
Profit/Loss		\$ 222.00

Fairs and Shows

Replacement Dairy Heifer

To participate in this program, you must be an FFA member throughout the project and eligible to show at the Chowchilla- Madera Co. Fair. The heifer must be shown in Special Dairy Heifer Project classes as a calf at the Madera District Fair, as a yearling at the Chowchilla- Madera Co. Fair and shown and sold as a springer at the Chowchilla- Madera Co. Fair. You shall purchase your heifer with the approval of your FFA Advisor and the Dairy Committee. The dam of the heifer must be 100% of the relative value of the herd, verified by computer record. The sire of the heifer must have been a registered bull of the same breed as the dam. It will your responsibility to have the heifer dehorned, extra teats removed, hooves trimmed, vaccinated and tattooed for Brucellosis, and vaccinated for Leptospirosis. A veterinarian should be consulted immediately in case of sickness. A minimum of 21 months ownership will be required. Substitutions may be made only with the approval of the Dairy Committee for such causes as death, freemartin, barren (approval of veterinarian) and/ or abortion. Heifers will be born no earlier than January 1st, (approximately 28 months prior to sale) and no later than the following March 1st. An application form, dam's record sheet and a photograph of one side of your heifer must be turned in to the Dairy Committee by August 1st.

The heifer must be bred to a registered bull of the same breed, either by natural service or artificial insemination, to freshen within 90 days following the sale, which will be held around May 15th. Your heifer must be bred by November 15th, with a Vet certificate in the Dairy Committee Chairman's possession by January 15th. You must keep adequate records on care and management available for Committee inspection. Record Books will be due with fair entry forms for springers. Record books will be judged for excellence and the top book in FFA will receive an award. The Breeding and Update Form with the breeding date and service sire used, plus the dams updated DHIA cow sheet, (or other computer printout sheet) must be mailed to the committee Chairman no later than the fair entry due date.

Expenses:

<u>Heifer</u>	<u>\$ 600.00</u>
<u>Feed</u>	<u>\$ 500.00</u>
<u>Entry Fee</u>	<u>\$ 30.00</u>
<u>Insurance</u>	<u>\$ 50.00</u>

Rabbits

Raising and showing rabbits can be a lot of fun. If you are the type of person who doesn't like to work with larger animals then this is the animal for you! There are a lot of responsibilities when you show rabbits. You have to feed and water them everyday and make sure you groom them everyday also. You can either show a meat pen, which consists of 3 meat rabbits and you sell them at the fair. You can also show rabbits, which are used strictly for showing and kept as your pet to use them for breeding.

Expenses:

<u>Animal Cost (3)</u>	<u>\$ 45.00</u>
<u>Feed</u>	<u>\$ 10.00</u>
<u>Entry Fee</u>	<u>\$ 1.00</u>
<u>School Housing</u>	<u>\$ 4.00</u>
Total	\$ 60.00
Receipt: Breeding Rabbits \$5.00-\$25.0	\$ 90.00
Profit/Loss:	\$ 30.00

Fairs and Shows

Poultry

Raising and showing a poultry is great way for a beginner to learn the responsibilities of raising an animal. It is also a project that doesn't require much maintenance in comparison to other animals. When you get animals you have to feed them and practice showmanship. Showmanship requires you to inspect the animal. After you show your animal, it will go to the auction if it does well at the show.

Expenses:	Meat Pen (3)	\$	27.00
	Feed	\$	15.00
	Entry Fee	\$	1.00
	School housing	\$	5.00
Total:		\$	48.00
Receipt:		\$	90.00
Profit/loss:		\$	42.00

Market Goat

A market goat project is challenging, yet rewarding. Raising this project will take a tremendous commitment on the student's part. From feeding and washing to shearing and exercising; a great deal of responsibility will be involved. The student will be required to feed one to two days per week as well as work with the goat three to four times per week. The length of this project is two to three months. The student will exhibit the animal in a market class and a showmanship class at the fair. In market, the animal will be judged on muscle, balance and condition. The objective of the showmanship class is to determine the top exhibitor in terms of technique and style. Firebaugh Agriculture Boosters

The Firebaugh FFA Agriculture Boosters are a critical component to the success of the FFA organization. Their continuous support and guidance allows students in our organization to learn about modern agriculture and experience success in a variety of areas within our Ag Education program.

The Ag Boosters consists of community members, parents and volunteers who donate their time, money, knowledge and experience for the betterment of all students involved in the FFA. Many of the Ag Boosters themselves are graduates of Firebaugh High School's Agriculture Department. Due to their experiences in the program they continue to support the organization with or without children of their own going through the FFA. Their support is invaluable and often times is underappreciated, however we would like to take this opportunity to let them know just how much their help really does mean to our organization.

The Firebaugh Ag Boosters make their presence known by supporting many of the students at the Chowchilla and Madera County Fairs. Their financial support allows many students, who would not otherwise have the opportunity to show an animal, the chance to raise, work with and exhibit an animal at the fair. Typically, the money earned from these projects goes directly into the student's college savings account. Boosters have also been known to donate their time and physical effort to help with building numerous facilities and if any equipment is ever needed they can also be counted on. Throughout the year we put on several different barbeques and invariably it is the Ag Boosters that volunteer to cook for us. Without a doubt the Ag Boosters provide the necessary support that allows Firebaugh FFA to continue to be a success. Thank you very much Ag Boosters!

Top Seller and Top Twenty Trip

Top Seller Trip

Throughout the year, Firebaugh FFA members are given the opportunity to help raise money for our chapter. The money raised goes towards numerous events and activities that take place in our FFA chapter throughout the year. For example, Firebaugh FFA plans a minimum of one trip per month during our school year that is free of charge to our students. These trips include skating, bowling, and movie night just to name a few. In order to fund these trips, we put on different fundraising events throughout the year. This year we carry on the traditional fundraisers such as the Drive – Up dinner, the Tri Tip Take – Out dinner, the Pretzel and Cookie Dough sale, and recently we added the Chevy truck ticket sales. If a member has sold a total of 30 tickets or items at the end of the last fundraiser, he or she will be invited to the Top Seller Trip at the end of the year. The Top Seller Trip is designed to give every student in our department the opportunity to receive a free trip to a designated theme park.

Top Twenty Trip

As mentioned above, Firebaugh FFA members are given numerous opportunities to participate in FFA activities. Throughout the year we give students points for attending and participating in FFA activities, events, and contests. For example, the top twenty students are announced at the annual end of the year banquet and then those students are taken on an achievement trip to Magic Mountain. The student who is the most active and earns the most points total throughout the school year receives a full expense paid trip to the National FFA Convention held in Louisville, KY and then on to Washington D.C. The students fill out point award sheets at the end of each month and a running total is kept until the end of the year. The winner of the Top Twenty Trip is announced at the annual end of the year banquet. Last years Top Twenty winner was a third year Ag student, Vincent Fitch. He will be attending the trip to National FFA Convention and Washington D.C. on October 29th through November 4th, 2004 with the California delegation.
