*Firebaugh FFA members compete to win gold fish at the FFA carnival meeting.*

# Carnival Meeting

On Sept. 2 the FFA hosted a carnival theme meeting for the month. We started off by introducing the new 2015-2016 Greenhand Officers and then moved onto play some carnival games. We had games ranging from the soda ring toss, where they won a soda, or the fishing game, where yes you won a cool little fishy.

But we also had other games for those who might not be a fan of winning a fish. There was a cake walk, and the grand prize was a delicious Oreo cake. The winner of this grand prize was Yesenia De

La Cruz and I got some input of how she enjoyed the meeting. She said, "It was pretty cool and even better because I won the cake." Everyone there, whatever game they played, got a prize that evening whether it was a cake, glow sticks, cookies, sodas, or a fishy. Our next monthly meeting theme will be: Capture the Chupacabra. For this meeting, members must form teams if they would wish to participate for the game.
