## FFA NATIONAL CONVENTION PEOPLE

The trip is just around the corner and we need to get together and discuss it in detail. I have an Itinerary of what we will be doing and I want to make sure we go over the dress for all events.

Almost of you have raised your trip in full (Great Job!). The cost was a little cheaper then we expected so there will be some money for several nice meals and some cab fares. We need to talk about the school days that will be missed and how we will work it out with the teachers.

☆ I will let teachers know in plenty of time.  
I would like to have a meeting:

September ~~16th~~ 23<sup>rd</sup>  
Wednesday  
6:30pm

I'm getting so excited as I am sure everyone is!!!!

Thanks,

Mrs. Gravatt

## DEDICATION

### *Mark & Mary Fickett*

In sincere appreciation and great thanks, the Firebaugh FFA Chapter has dedicated this 1997-98 Program of Work to our 1998 Honorary Chapter Farmers, Mark and Mary Fickett.

Mr. and Mrs. Fickett have been actively involved in our program for the past two years. They have donated much of their time, energy, and equipment in helping with animal, mechanic, and vegetable projects. With their assistance, these projects have been successful and students have had "hands on" experiences that will enhance their job readiness in the future.

It is an honor to dedicate this Program of Work to these special people who have dedicated so much to our organization. We treasure their loyalty, support, and friendship.

Sincerely,

The Firebaugh FFA

## Officer Letter

Dear FFA Members,

Greetings, from the 1998-1999 FFA Officer Team. We hope you had a fun, exciting, and relaxing summer and are ready for the new school year.

It is the goal of this year's FFA officer team to get you, new and returning FFA members to unite in participating and involving yourself in the FFA organization. We have many fun and exciting activities this year to encourage your involvement in the Firebaugh Chapter. The members are truly the backbone of our organization. Because of your support and belief in the FFA, we will continue to prosper in the upcoming years.

This year we have planned many exciting and new activities for you. Together, we will be able to develop an organization that is unmatched by any other organization. Because of your many talents, you will help better the Firebaugh FFA Chapter. We hope this year will be a great learning experience as well as fun and exciting for you. Due to your excitement and energy, we know we will have the ultimate FFA experience in the 1998-1999 school year. LET'S DO IT!!!!!!

Sincerely,

## Advisor's Message

The Advisors of the Firebaugh FFA Chapter would like to welcome every new and returning member to the Firebaugh FFA for the 1998-1999 school year. Once again we are certain that the Firebaugh FFA is going to continue its success. The curriculum is on the cutting edge and our facilities rival many junior colleges only to compliment the already highly successful FFA Chapter.

This year, the officers have set a goal for the new and returning FFA members **to increase participation and involvement in the FFA**. As advisors, we agree with the officers that it is vitally important to have FFA members actively involved in our program. This Program of Work will serve as a guide, outlining the activities you can be a part of. Use it to participate in the numerous opportunities offered to you in this chapter and agriculture program. It would be impossible for the chapter officers to carry out the activities outlined in this program without the **cooperation from each and every member in this chapter**. The duty of the advisors is only to point the way, while the officers and committees actually lead the membership. **You**, the chapter members, will decide how active or successful the chapter will be this year by **your** participation. We would like this year to be the best year you ever had in school. The FFA program is the greatest youth organization in the world and the Firebaugh FFA is one or the top five in the state!

The Chapter Advisors, look forward to working with our chapter members to keep Firebaugh FFA the best in the state! We are relying on you to make this year a success!

Sincerely,  
**The Firebaugh FFA Advisors**

Ms. Brown  
Mr. Flatt  
Mrs. Gravatt

## Chapter Goals

- \* To begin educating children of all ages on the importance of agriculture, so they take an interest in agriculture, now and in the future.
- \* To further develop the involvement of members in our FFA organization, so that our chapter will continue to succeed and grow in the coming year.
- \* To provide the community with our agriculture education awareness.
- \* To be available for community events to enhance the relationship between our organization and the community.
- \* To encourage members to succeed not only at the chapter level but to go beyond their own expectations.
- \* To apply for the National FFA Chapter Award.
- \* To make this year one remembered with no regrets, and filled with accomplishments and improvement.
- \* To excel in every aspect of agriculture education.

## **Missions and Strategies**

FFA makes a positive difference in the lives by developing their potential for premier leadership, personal growth and career success through agricultural education. To accomplish this mission, we the FFA:

1. Develop competent and assertive agricultural leadership.
2. Increase awareness of the global and technological importance of agriculture and its contribution to our well-being.
3. Strengthen the confidence of agriculture students in themselves and their work.
4. Promote the intelligent choice and establishment of an agricultural career.
5. Encourage achievement in supervised agricultural experience programs.
6. Encourage wise management of economic, environmental and human resources of the community.
7. Develop interpersonal skills in teamwork, communication, human relations and interaction.
8. Build Character, Promote Citizenship, Volunteerism, and Patriotism.

## **The Emblem**

The national FFA emblem, consisting of five symbols, is representative of the history, goals and future of the organization. As a whole, the emblem covers the broad spectrum of the FFA and agriculture. Each element within the emblem has unique significance. THE CROSS SECTION OF THE EAR OF CORN provides the foundation of the American agriculture. It is also a symbol of unity, as corn is grown in every state of the nation. THE RISING SUN signifies progress and holds a promise that tomorrow will bring a new day glowing with opportunity. THE PLOW signifies labor and tillage of the soil, the backbone of agriculture and the historic foundation of our country's strength. THE EAGLE is a national symbol which serves as a reminder of our freedom and ability to explore new horizons for the future of agriculture. THE OWL, long recognized for its wisdom, symbolized the knowledge required to be successful in the industry of agriculture. The words "AGRICULTURE EDUCATION" and FFA are emblazoned in the center to signify the combination of learning and leadership necessary for progressive agriculture.

## **Colors**

As the blue field of our nation's flag and the golden fields of ripened corn unify our country, the FFA colors of NATIONAL BLUE and CORN GOLD give unity to the organization. All FFA functions and paraphernalia should proudly display the colors.

## **Motto**

The FFA motto gives members twelve short words to live by as they experience the opportunities in the organization.

***Learning to Do,  
Doing to Learn,  
Earning to Live,  
Living to Serve.***

## The FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds-achievements won by the present and past generation of agriculturist; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agriculture pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agriculture life and hold an inborn fondness for those associations which, even in hours of discouragement, I can not deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so-for others as well as myself; in less need for charity and more of it when needed in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

**The creed was written by E.M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.**

## Judging Teams

Firebaugh FFA encourages students to participate in at least one of the following teams. You will be able to travel to different colleges throughout the state of California as you learn critical thinking, speaking, and leadership skills.

Ag Mechanics	Job Interview
Banking	Livestock Judging
Best Informed Greenhand	Marketing
Computer Applications	Novice Farm Records
Cotton	Floriculture
Creed Speaking	Opening/Closing Ceremony
Farm Power	Public Speaking
Farm Records	Ag Pest
Farm Safety	Parli-Pro

## Public Speaking

Public speaking contests are major leadership activities in the FFA. They promote speaking skills to large and small crowds alike. These skills are vital to any field of business you may be entering in the future. Public Speaking is becoming apparent in more and more contests. For instance, Extemporaneous Public Speaking and Prepared Public Speaking are entirely based on these skills. However, the Job Interview Contest, and even the Computer Applications Contest uses these skills as part of their contest.

Prepared Public Speaking is just what it sounds like. A 6-8 minute speech is given to a panel of judges over a topic of the contestant's choices. The contestants in Extemporaneous Speaking, in addition to speaking to judges, must also research the Ag based topic within 30 minutes, and prepare a 4-6 minutes speech to give. Both of these contests, as well as Job Interview and Computers, are open to any FFA member interested. These contests take place throughout California.

## **Firebaugh FFA Ag Boosters**

The Ag Boosters Committee is valuable to the students of the FFA program. They help raise funds to support activities throughout the year. The Boosters are responsible for financially supporting the FFA Banquet, Buyers B-B-Q, and student trips.

The Boosters support the FFA students at the fairs by securing their break even price through the auction, if the students have earned it through working hard with their project. They also provide financial support to the Ag Department throughout the year when needed.

All parents of Ag students are encouraged to become a Booster member. With parent involvement we can support these students as they set and reach their highest goals. Monthly meetings will be established.

## **Firebaugh FFA Scholarship Committee**

This committee supports the FFA by raising money to fund the Lara Family and Willoughby Houk Memorial Scholarships. These scholarships are awarded to one male and one female graduating senior who meet the qualifications.

## Fairs & Shows

In order to give our students an area to showcase the knowledge they have learned through their Supervised Occupational Experience Project, Firebaugh FFA competes at two fairs and shows during the year. You will find us at the Madera Fair in September, and the Chowchilla Fair in May. Student projects that can be exhibited are beef, sheep, swine, dairy, rabbits, chickens, goats, plants, flower arrangements and agricultural mechanics projects. If you are interested in participating in any of these opportunities, one of the Ag Teachers can get you started.

### Dairy

Showing a dairy heifer is a lot of responsibility and requires time. You will have your animal for the Chowchilla, Madera, and Fresno Fair. The animal is purchased in March, so you will be required to feed, water and clean her for approximately seven months. You will need to halter break the animal before you do anything. She will need to be tied up for eight hours, and lead to water every two hours. After being halter broke, the animal will need to be lead to insure she is properly trained. You will practice showmanship and wash her every other day. You will have fun as long as you learn to work with this large animal.

#### Dairy Replacement Heifers Budget

<b>Expenses:</b>	Heifer	\$ 1200.00
	Feed	\$ 200.00
	Entry Fee	\$ 15.00
	Insurance	\$ 25.00
	Equipment	\$ 30.00
	School Housing (paid up front)	\$ 5.00
	<b>Total</b>	<b>\$ 1475.00</b>
<b>Receipt</b>	(Bottom Bid at Fresno Fair)	<b>\$ 2000.00</b>
<b>Profit/Loss:</b>		<b>\$ 525.00</b>

## Market Goats

A goat project is a fun project that does not require as much time as large animals. Basically you feed, clean, and practice showmanship. While at the fair you have to wash, feed, and shave your animal.

### Market Goat Budget

<b>Expenses:</b>	Goat	\$ 90.00
	Feed	\$ 30.00
	Entry Fee	\$ 5.00
	Insurance	\$ 5.00
	School Housing	\$ 5.00
	<b>Total</b>	<b>\$ 135.00</b>
<b>Receipt:</b>		<b>\$ 150.00</b>
<b>Profit/Loss</b>		<b>\$ 15.00</b>

## Poultry

The poultry project does not require as much maintenance, as compared to other projects simply because they are small animals. You will take ownership and care for the animals for two months prior to the fair. When you get your animals you have to feed them and practice showmanship. Showmanship requires you to inspect the animal. After you show your animal, it will go to the auction if it does well at the show.

### Poultry Project Budget

<b>Expenses:</b>	Meat Pen (3)	\$ 27.00
	Feed	\$ 15.00
	Entry Fee	\$ 1.00
	School Housing	\$ 5.00
	<b>Total</b>	<b>\$ 48.00</b>
<b>Receipt:</b>		<b>\$ 90.00</b>
<b>Profit/loss:</b>		<b>\$ 42.00</b>

## Rabbits

Raising and showing rabbits can be a lot of fun. If you are the type of person who doesn't like to work with larger animals then this is the animal for you! There are a lot of responsibilities when you show rabbits. You have to feed and water them everyday and make sure you groom them everyday also. You can either show a meat pen which consists of 3 meat rabbits and you sell them at the fair. You can also show fur rabbits which are used strictly for showing and keep these as your pet and use them for breeding.

### Rabbit Project Budget

<b>Expenses:</b>	Animal Cost (3)	\$ 45.00
	Feed	\$ 10.00
	Entry Fee	\$ 1.00
	School Housing	\$ 4.00
<b>Total</b>		<b>\$ 60.00</b>
<b>Receipt:</b>	Breeding Rabbits \$5.00-\$25.0	<b>\$ 90.00</b>
<b>Profit/Loss:</b>		<b>\$ 30.00</b>

## Steer

Showing a steer is a lot of hard work and you have to be willing to take a lot of responsibilities. You have to make sure you walk your steer everyday. You also have to rinse and brush the animal hair constantly because you are trying to make it grow. You also need to get them use to walking with a halter and making sure they get use to being shown with a show stick. If you are a first time showman, you don't want this to be the first animal you show.

**Steer Budget on the next page**

## Market Steer Budget

### Expenses:

<u>Feeder Steer</u>	<u>\$ 800.00</u>
<u>Feed</u>	<u>\$ 500.00</u>
<u>Entry Fee</u>	<u>\$ 5.00</u>
<u>Vet. supplies</u>	<u>\$ 20.00</u>
<u>Insurance's</u>	<u>\$ 25.00</u>
<u>Showing &amp; Fitting supplies</u>	<u>\$ 80.00</u>
<u>School Housing</u>	<u>\$ 5.00</u>
<b><u>Total</u></b>	<b><u>\$1435.00</u></b>
<b><u>Receipt:</u></b>	<b><u>\$1265.00</u></b>
<b><u>Profit/Loss</u></b>	<b><u>\$ 170.00</u></b>

## Sheep

In showing sheep, there are a lot of responsibilities. When you purchase your animal you will have to feed and water it. After you and the animal get use to each other, you will begin to practice showing your animal, and exercise it daily. When it gets close to the fair, you will start washing and shearing. There are two classes to show and compete in. Showmanship judges your showmanship skills, not the animal. In market, the judge will judge the quality of the animal.

## Market Sheep Budget

<b><u>Expenses:</u></b>	<u>Feeder Lamb</u>	<u>\$ 150.00</u>
	<u>Feed</u>	<u>\$ 45.00</u>
	<u>Entry fee</u>	<u>\$ 5.00</u>
	<u>Vet. supplies</u>	<u>\$ 5.00</u>
	<u>Insurance</u>	<u>\$ 5.00</u>
	<u>School Housing</u>	<u>\$ 5.00</u>
	<b><u>Total</u></b>	<b><u>\$ 215.00</u></b>
<b><u>Receipt:</u></b>		<b><u>\$ 360.00</u></b>
<b><u>Profit/Loss:</u></b>		<b><u>\$ 145.00</u></b>

## Swine

A swine project is a great experience. When you begin your project, you must exercise your pig everyday in order for it to maintain a quality build. You are responsible for feeding and cleaning daily. As your project progresses, you begin to wash the animal often. As you approach fair time you wash your animal everyday. Before you go to the fair you may need to shave your hog. Like other projects, you compete in two types of shows: market and showmanship. In the market show, the judge evaluates the animal for meat quality and the showmanship show determines how well you control your animal, as well as how well you can show an animal.

### Market Swine Budget

<b>Expenses:</b>	Feeder Hog	\$ 150.00
	Feed	\$ 80.00
	Entry fee	\$ 5.00
	Vet. supplies	\$ 5.00
	Insurance	\$ 5.00
	School Housing	\$ 5.00
	<b>Total</b>	<b>\$ 250.00</b>
<b>Receipt:</b>	Sale of animal	<b>\$ 345.00</b>
<b>Profit/Loss</b>		<b>\$ 95.00</b>

## **Community Service**

The purpose of community service is to develop in FFA members an attitude of service to the community in which they live. The chapter will develop a sense of community, service among the entire membership.

- \* We will have a food drive for Thanksgiving and work with a church to distribute the food to the most needy in our community.
- \* We will collect and distribute toys at Christmas.
- \* We will set up displays in local businesses to promote our organization during FFA Week.
- \* We will provide a petting zoo at the elementary schools in our area to acquaint these students to Agriculture.
- \* We will host a Carnival at the A.E. Mills School, in hope that they get involved with our program.
- \* We will host a rally at the middle school to promote the Ag program.

**Section A.** This constitution shall become effective when passed by a majority vote of the members voting.

## **Do you just belong?**

**Are you an active member,  
the kind that wouldn't be missed?**

**Or are you just content  
to have your name among the list?**

**Do you attend the meetings  
and mingle with the flock?**

**Or do you usually stay away  
and criticize and knock?**

**Do you take an active part,  
to help and work along?**

**Or are you satisfied  
to be the kind that just belongs?  
Do you pitch in, and do your share,  
to really make things tick?**

**Or leave the work to just a few,  
that you would call "the clique?"**

**There's quite a program scheduled  
that we're sure you've heard about,  
and we'll appreciate it if you too,  
will help us work things out.**

**So come to the meetings often,  
and help with hand and heart.**

**Don't just be a member,  
but take an active part.**

**Think this over, friend,  
because you know right from wrong,  
Are you an "ACTIVE MEMBER",  
or do you just belong?**
