

## FFA News

*Students run around campus hunting for a team's hidden flag.*

## The Glowing Chupacabra

On Oct. 7 the FFA held it's monthly chapter meeting as well as the Ag Boosters meeting for the parents. For this month, the theme of the meeting was Capture the Chupacabra, which is basically capture the flag but improvised by us officers because in the month of October is Halloween.

It was pretty dark outside since this meeting was held at about 6 or 7. so, instead of a flag or football, we used a water bottle with a glow

stick inside of it. They were allowed to hide it any where in the school's campus, as long as it stayed in their assigned area. This sounds pretty easy, but was far from easy for some teams.

For example, for one team, it took them about 30 minutes until they found the flag. But, overall, everyone had a great time and kept great sportsmanship.
