*Superintendent Freitas helps the Firebaugh FFA Officers welcome in the new staff of the Firebaugh Las-Deltas Unified School Distr*

## FFA: Welcome to the 2015-16 school year

What better way to start off the school year than welcoming the 2015-16 Firebaugh Las-Deltas Unified School District teachers with some morning excitement, and of course survival kits!

The Firebaugh FFA chapter officers got up early in the morning to get set up and pump up the teachers about the new school year. Some teachers would walk up to the library in the confusion when they saw kids standing outside of the library with blue corduroy jackets. Dancing and cheering, we welcomed them to our community

school, as well as introducing them to our FFA program.

Making sure that the teachers felt really welcome, we gave them their own starter kit for this school year. It included some treats such as chocolates, Pepsi, hand sanitizer, and of course a pencil representing our theme, "Oh, the Places We'll Go...". Seeing the faces of new teachers on our campus made us very glad that they decided to be apart of our community.

The next day, we went back and got up early in the morning to welcome

back our high school staff. This time there wasn't any confusion of what the blue corduroy jackets represent. The high school staff is very aware with our FFA program here at Firebaugh High. They were excited and appreciated our sacrifice to get up early in the morning to come to school on our vacation.

Making the teachers happy and knowing that they feel appreciated by what we do makes us very glad to get to have these opportunities to help out our school as much as possible. -- *By Paola Gonzalez*
